PRESENT:

## CHANGE IS POSSIBLE: THE SUMMER LEGAL FELLOWSHIP PROGRAM

Nancy Schiff, Executive Director  
Center for Youth  
Development through Law

Monday, March 16  
12:45 - 1:45 pm  
122-Boalt

A film and discussion on an innovative program that supports the academic success of disadvantaged high school students through internships and a curriculum integrating legal and life skills instruction.

Join us to hear:

- Young people's candid views on what they need to survive and thrive despite oppressive environments, and a glimpse of a mock trial conducted entirely by youth
- How the program aligns with current trends in educational pipeline programs, youth development programs and efforts to make the law profession more inclusive
- How community resources were marshaled to form a new nonprofit organization
- Employment and volunteer opportunities with the program

Lunch provided, please bring your own beverage.
