KEY TO GRADES

1. Academic Years 1997-98 to present:

HH -	High Honors	CR	-Credit
H -	Honors	NP	-Not Pass
P -	Pass	I	-Incomplete
PC -	Pass Conditional (or Substandard Pass)	IP	- In Progress
NC -	No Credit	NR	- No Record

In each first-year large section, the top 40% of students are awarded honors grades as follows: 10% of the class is awarded High Honors (HH) grades and 30% are awarded Honors (H) grades. The remainder of the class is given the grades Pass (P), Pass Conditional or Substandard Pass (PC), or No Credit (NC), in any proportion. In first-year small sections, grades are given on the same basis with the exception that one more or one less honors grade may be given.

In each second- and third-year course, either (1) the top 40% - 45% of the students are awarded honors grades, of which a number equal to 10% - 15% of the class are awarded High Honors (HH) grades; or (2) the top 40% of the class, plus or minus two students, are awarded honors grades, of which a number equal to 10% of the class, plus or minus two students, are awarded High Honors (HH) grades. The remainder of the class is given the grades P, PC or NC, in any proportion.

PC indicates work that is sufficient to obtain credit, but is of substandard quality.

In a very few courses, grades are given on a Credit/Not Pass basis. A grade of Credit (CR) indicates satisfactory work in such a course, and a grade of Not Pass (NP) indicates unsatisfactory work.

I indicates that the student did not complete the requirements of the course by the end of the semester in which the student was enrolled; once entered, the I grade is not removed. When the student completes the work, the grade achieved is entered along with the date of completion.

IP indicates a two-semester course. The grade is recorded the second semester.

NR indicates that there is no grade recorded for the student. This may mean that the instructor has not yet turned in a grade, or that the student did not remove the course from his or her class list prior to the drop deadline.
