Energy & Cleantech Research Seminar

Application Form for Student Participants, 2012-2013

Name:

Phone: ___________________ e-mail: ___________________

Are you applying to enroll in the class as a participant or a teaching assistant?  ___Student Participant  ___TA

Prerequisites / Requirements: There are no formal prerequisites for the Research Seminar, but students should submit this application only if they are willing to make a commitment to enroll in the course for both fall and spring semesters and to complete a substantial research project. Experience in the fields of energy and clean technology is not a requirement for the seminar, but interest in the fields is. Past or concurrent enrollment in Law 270.6: Energy Regulation & the Environment, and Law 270.7: Renewable Energy and Other Alternative Fuels: Law, Policy & Promise is strongly recommended.

Registration Information: Students will receive 2 units in the fall term, and 1 unit in the spring. Completion of a satisfactory paper for the Research Seminar satisfies the Energy and Clean Technology Law Certificate writing requirement and Berkeley Law’s writing requirement.
