First Assignment

Welcome to Criminal Law!

Everyone should attend our Orientation Session on Monday, August 20. We'll meet in Room 12 (our regular meeting room) from 4:00-4:50. There is no assignment for that session. I'll hand out materials and we'll talk about law school and our class.

Our first class will be on Wednesday, August 22, at our regular meeting time (11:20-12:30) in Room 12. Before Wednesday's class, please read my Memorandum to the class and through "Proof of Guilt" in the Syllabus (up to page 11 of the casebook). I'll distribute the Syllabus and the Memorandum at the Orientation Session. They are both also available for download on bSpace.

I look forward to meeting you, and to our semester together.
