

# Feeding A Growing Planet

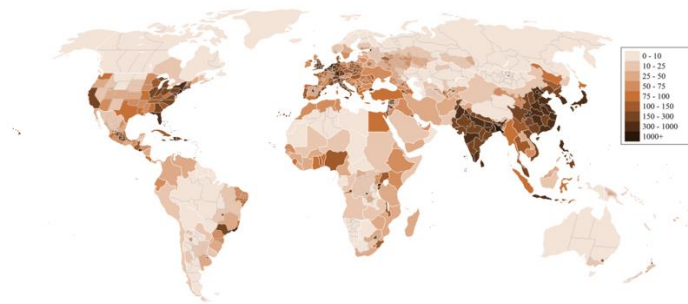

## Challenges, Impacts & Taboos

**When:**

Tuesday

Nov. 3, 2015

12:45-2:00pm

**Where:**

UC Berkeley  
School of Law  
Room 130

Join us for a discussion of the complexities of feeding a rapidly growing global population, the environmental and social challenges associated with food production and animal husbandry, and why it can be hard to talk about the issues. The speakers will discuss different perspectives to generate discussion of important issues and possible paths forward.

Featuring:

- **Carter Dillard**, Director of Litigation, Animal Legal Defense Fund
- **Stephanie Feldstein**, Population & Sustainability Director, Center for Biological Diversity
- **Claire Kremen**, Professor, UC Berkeley Department of Environmental Science, Policy & Management & Faculty Co-Director, Berkeley Food Institute
- **Jordan Diamond**, Executive Director, UC Berkeley Center for Law, Energy & the Environment (moderator)
