As Oracle's Vice President of Global Public Policy, Mr. Alhadeff is responsible for coordinating and managing Oracle's international and Internet-related policy issues.

As Chief Privacy Strategist, Mr. Alhadeff oversees Oracle's strategic planning and advocacy related to privacy, personal information protection and management across Oracle operations and global policy fora.

In addition to his role at Oracle, Mr. Alhadeff serves a prominent role in several influential international organizations dedicated to Internet policy, security and privacy. Mr Alhadeff serves as the BIAC Chair to the OECD Digitial Economy Policy Committee and the OECD Working Party on Information Security and Privacy and as Chair of the International Chamber of Commerce's Digital Economy Committee. In the US, Mr. Alhadeff chairs the Digital Economy Committee for the US India Business Council, co-chairs The Trans-Atlantic Business Council's ICT working group and is Vice Chair of USCIB's Information Policy Committee and the SIIA Government Affairs Committee. Mr. Alhadeff is also the Chair of the US ASEAN's Malaysia Committee, Vice-Chair of the US-ASEAN Business Council's Technology Committee and serves on the NCAPEC Board and board of The Privacy Projects. Mr Alhadeff also serves on the advisory boards of the Digital Security Council of India and Wiredkids.org.

Prior to joining Oracle, Mr. Alhadeff was General Counsel and Vice President for Electronic Commerce for the US Council for International Business (USCIB) in New York. Mr. Alhadeff holds an M.B.A. in management and information systems from New York University, Leonard N. Stern School of Business, a J.D. from Boston University School of Law, and a B.A. from Oberlin College
