OAK #4847-7636-5076 v1

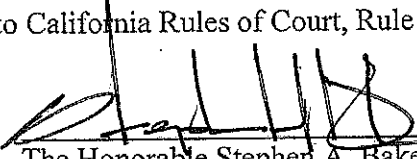

~~PROPOSED~~ JUDGMENT DENYING PETITION FOR WRIT OF MANDATE AND INJUNCTIVE RELIEF

1           Petitioner SEIU Local 1021 AFL-CIO ("SEIU") filed this action on January 17, 2013. It  
2 consisted of two causes of action. The first sought a writ of mandate under Code of Civil  
3 Procedure ("CCP") section 1085 on behalf of City of Redding employees who are members of  
4 SEIU and SEIU itself. The second cause of action was brought on behalf of SEIU, as a  
5 taxpayer, and sought an injunction under CCP section 526a. The legal premise of both causes of  
6 action is that respondents City of Redding ("City") and its City Council ("City Council,"  
7 collectively "City Respondents") violated Government Code sections 37103 and 53060 in  
8 awarding a contract to Ocom Solutions, LLC, d.b.a. Vertex Business Services ("Vertex") to  
9 operate a call center for customers of the City's electric, water, wastewater, solid waste, and  
10 storm drain utilities. The further procedural history of this action and the Court's ruling on the  
11 merits and defenses is set forth in the Statement of Decision adopted by the Court which denies  
12 the petition for writ of mandate and injunctive relief.

13           NOW THEREFORE, IT IS HEREBY ORDERED AND ADJUDGED THAT

- 14           1.     The Petitions for Writ of Mandate and Injunctive Relief is denied in its entirety  
15 and dismissed with prejudice;
- 16           2.     Petitioner shall take nothing by its petition;
- 17           3.     All case management conference dates are vacated; and
- 18           4.     City Respondents shall recover their costs in this action pursuant to a  
19 memorandum of costs to be filed pursuant to California Rules of Court, Rule 3.1700.
