## Parking Information

Campus parking lots are located around and near campus and in the hill areas east of campus. Parking lot signs show permit designations for that particular lot using the following symbols:

- C** Central Campus
- F** Faculty/Staff
- S** Student
- ♿** Disabled
- R** Restricted
- M** Motorcycle
- RH** Residence Hall
- H** Hill Area
- P** Public ticket
- R** Carpool\*

Night/Weekend parking permits are valid weekdays after 5pm and on weekends in **C**, **F**, **S** and **H** designated lots. Parking on campus lots is not allowed from 2am to 5am.

### Public Parking on Campus

During weekday daytime hours (7am – 5pm) and evenings, visitors to campus may park on the south side of campus at the MLK Student Union Garage located on Bancroft Way near Telegraph Avenue or at the Lower Hearst Structure (on level 2) located at Hearst and Scenic streets on the north side of campus. Get a ticket at the dispensing machine upon entering garage and pay attendant or at pay station upon exiting. Cost is based on length of stay.

After 5pm on weekdays and all day on weekends, most campus parking lots are open to the public for a fee (except in marked restricted lots and spaces) with a dispensing machine ticket displayed on the dashboard. Be sure to read parking lot signs carefully for hours, fees, and important notices. Persons planning or attending an event on the UC

Berkeley campus should call the Special Events Coordinator at (510) 642-5401 during business hours to arrange parking for guests or to receive updates on parking availability.

### Bicycle Parking

Hundreds of bike parking spaces are located throughout the campus; areas are indicated on the map on reverse. Bicycles are required to park in these designated spaces.

## Getting Around Campus

### BearTransit and Night Safety campus shuttles

BearTransit campus shuttles are an easy way for campus affiliates and visitors to get around campus. BearTransit offers daytime and Night Safety shuttle routes.\*\* On weekdays, shuttle routes service the campus and downtown Berkeley BART on frequencies of 20 minutes or less, and routes run from BART through campus and up Strawberry Canyon to Lawrence Hall of Science. Night Safety routes operate from dusk until 6am to help get you safely from campus to BART or to your home or car within service boundaries.

For Faculty/Staff without a campus I.D. or students without a Class Pass, fare is 50¢ for most daytime shuttles and \$1 for Hill and RFS routes.\*\* Night Safety shuttles are free. Complete route schedules and maps are available online at [www.berkeley.edu/transportation](http://www.berkeley.edu/transportation).

\* Spaces reserved for carpool permit holders 7am to 10am Monday through Friday.

\*\* Routes, fares, and intervals subject to change. For current information visit [www.berkeley.edu/transportation](http://www.berkeley.edu/transportation)
