A Conversation With

Tariq Mundiya

Willkie Farr & Gallagher LLP

Want to know what it is like to represent Dan Loeb and his hedge fund, Third Point LLC, as they seek to replace corporate boards of directors? Or representing Facebook in its IPO litigation or Men's Warehouse as it seeks to storm the gates and take over Jos A. Banks? Come and hear Tariq Mundiya discuss these and other cases that he has handled as one of the nation's go-to litigators for shareholder activism and takeovers.

Tariq is a partner in the Litigation Department, specializing in internal investigations, securities and corporate litigation under the federal and state securities laws, and litigation arising out of mergers and acquisitions and other corporate control transactions. He regularly appears in federal and state courts around the country in corporate and M&A litigation.

Tariq earned his LL.M. at the University of Chicago Law School and his B.A. at the University of Cambridge.
