## Smart Course Planning

### What to Take in Business Law and Why

## Preview Spring 2015 Classes

Join BCLBE for an information session about the business law courses at Berkeley Law presented by the business law faculty.

**The session will preview the Spring 2015** classes and highlight new course offerings. This is an opportunity for students to learn how business law courses meet their interests and prepare them for professional practice, whether in a firm, government or NGO position. The program will also review the Business Law Certificate requirements.

Note: You **do not have to be** pursuing a business law concentration to benefit from this overview!
