## Smart Course Planning: What to Take in Business Law and Why

### Preview Fall 2015 Courses

Join BCLBE for an information session about the business law courses and the J.D. Business Law Certificate at Berkeley Law presented by the business faculty. The session will review the Fall 2015 classes and highlight new course offerings.

This is an opportunity for students to learn how business law courses meet their interests and prepare them for professional practice, whether in a firm, government or NGO position. The program will also review the *Business Law Certificate* requirements.

**Note:** You **do not have to be** pursuing a business law concentration to benefit from this overview!
