

Children's Hospital of Orange County (CHOC) Health Alliance

Physician-Hospital Consortium (PHC) formed in 1995 between CHOC Hospital and CHOC Physician's Network (CPN) in response to the growing need to effectively serve Medi-Cal and Healthy Families members in the community. Today serves nearly 113,000 members delegated by the County Organized Health System.

California Children's Services (CCS) Pilot

- Provider-Based Accountable Care Organization (ACO)
 - Approximately 5,300 lives
 - Cost the State an average of \$73M/year over the last 3 years
 - Leverage existing PHC
 - Centered around 10 multidisciplinary specialty care centers (SCCs) of the hospital
 - Create a project advisory board that will include 2/3 providers and 1/3 parents of special needs children and/or advocacy group members
 - Restructure reimbursement model that rewards quality and outcomes vs. volumes of services

CCS-ACO Demonstration Model
