SPOILER WARNING

"Happily Ever After" - Season 6

Lostpedia is updated to U.S. aired episodes, mobisodes and official releases (shown above).

All non-U.S. visitors should be very careful regarding which pages they visit including the lower sections of the Main page.

- In keeping with the wishes of the creators of Lost and those of many fans, spoilers about episodes are forbidden before their U.S. airdates. Please read the spoiler policy.
- Spoilers are no longer permitted on the wiki. Any spoilers on the wiki regarding Season 5 will result in an instant and permanent ban. If you wish to read or discuss spoilers please visit our Spoiler Discussion Forum.
- Do not create pages about future episodes, characters, cast members, or crows. Lost is updated to the show that has most recently aired.
- Theories: Before posting a theory, please read our theory policy.
[Shot of Jack's eye opening, looking up at the bamboo. Overhead shot panning out to show Jack is lying injured on the ground. Jack sees a dog, slowly gets up, in pain. Finds a little liquor bottle in his pocket. Then he runs though the bamboo and ends up at the beach. People screaming. He sees the wreckage. People limping and calling for help. Shot of the engine still spinning. Charlie getting too close to it. Jin screaming.]

MICHAEL: Wait! Wait!

REDSHIRT: Stay away from the gas! Stay there!

[Shannon screaming. Jack looks up at the wing.]

REDSHIRT #2: [trapped under the piece with the still moving engine] Help! Help! Somebody help me! Help! Help! Ahh, my leg! Ah! Ah! Jack: Hey you, just give me a hand! You, come on! Come over here, give me a hand! [A group of redshirts (and Locke) gather around to lift the metal piece that's trapping the man.] On the count of three: One, two, three.

[Jack pulls the man out from under. One leg is bloody. Jack starts ripping the man's pants to get to the wound. Jack uses his tie as a tourniquet.]

CLAIRE: Help! Please help me! Help me, please help me!

[We see Claire is pregnant and on her hands and knees. Jack sees her.]

JACK: [to a redshirt and Locke] All right, get him out of here! Get him away from the engine! Get him out of here!

[He runs over to Claire through a lot of wreckage.]

CLAIRE: Help me, please. I'm having, I'm having contractions.

JACK: How many months pregnant are you?

CLAIRE: I'm, I'm nearly eight months.

[Jack looks over and sees Boone doing CPR on Rose.]

JACK: [to Claire] How far apart are they coming?

CLAIRE: I don't know, a few just happened.

[Shot of Locke and Redshirt carrying bac-leg-guy away. Another guy starts walking in front of the engine and Locke sees him.]

LOCKE: Hey! Hey, hey, hey, get away from there!

[The guy gets sucked into the engine and the engine explodes. Shot of people running. Jack sort of falls on top of Claire to protect her.]

JACK: Listen to me! Look at me! You're going to be okay, do you understand me? But you have to sit absolutely still!
