... Find Course Reserves

Go to the [Law Library's Homepage](#). Click on "Go" to search [LawCat](#).

On the [LawCat](#) home page, under "Course Reserves," click on the link to the current semester.

Now you're looking at a list of courses offered for the semester. You can search by the **professor's name** or the **course name**.

Click on a course name to see details. **NOTE:** We don't have every textbook for every course. If you don't see a **Reserves List**, that means we don't have the book for that course. Click on a title to see if it's available (either in print or online) or if it is checked out. Physical books can be checked out at the Circulation Desk.
