

Spring 2012  
Complex Civil Litigation  
Professor Bundy  
First Assignment and Enrollment Issues

The required text in this class is: *Complex Litigation, Cases and Materials on Advanced Civil Procedure, 5<sup>th</sup>* by Richard L. Marcus, Edward F. Sherman, and Howard M. Erichson.

I will refer to the case book as MSE.

In addition you will need a reasonably up to date (say 2009 or later) version of the Federal Rules of Civil Procedure in a version that also has in it the key provisions of the United States Judicial Code (Title 28) in the sequence from Section 1331 (subject matter jurisdiction) through Section 1738 (recognition of judgments).

For the first class on Tuesday, please read pages 1-24 of the MSE casebook and Rule 1 of the Federal Rules of Civil Procedure.

On Tuesday we'll also deal with waitlist issues. If you want to be in the class, whether or not you are on the waitlist, please show up at the first class or send me an email explaining why you cannot do so.

See you Tuesday.
