Casebook and First Assignment

Welcome to Remedies! The casebook for this class is Douglas Laycock, *Modern American Remedies* (4th ed. 2010). There is no supplement. There are two documents on the website that you should take a look at: a handout on course policies and the course syllabus.

The reading assignment for the first class is pages 1-9, 181-184, and 11-18 of the casebook. I assign the reading in that order because we will take up *Carey* before *Hatahley* in class, but I hope to get through both cases.
