## ACKNOWLEDGEMENTS

The editors acknowledge the extraordinary assistance of Carol Stimson both in the organization of the conference and in the production of the manuscript. The editors also acknowledge the many hours of careful labor on the part of Berta Acojido and Nora Kikuta who, as student aids, typed the manuscript on the Institute's microcomputers while pursuing degrees in the fields of music and business, respectively.

Since 1982, the publications of the Institute have been funded by a revolving publications fund that was graciously provided by the
