

BERKELEY INSTITUTE FOR JEWISH LAW AND ISRAEL STUDIES

A hub for student, faculty, and community engagement at the University of California, Berkeley

TUESDAY

OCT
27

TO THE MOON AND BEYOND YONATAN WINETRAUB

TIME 5:00 pm to 6:00 pm
PLACE C250 | Haas School of Business

Join us for a student lecture with co-founder of Space IL, Yonatan Winetraub. Yonatan is a graduate student at Stanford University, holds a masters in Electrical Engineering from Tel Aviv University, and is a graduate of Space Studies from the International Space University held at NASA. He gained hands-on experience in space technologies by working as a satellite system engineer for the Israeli Aerospace Industries.
