

DO YOU HAVE A PLAN FOR SAVING THE WORLD?

BEN FERENCZ DOES

What if your first criminal trial was at Nuremberg? At the age of 27, Benjamin Ferencz became Chief Prosecutor for the United States in The Einsatzgruppen Case. Now 96, he is the sole surviving Nuremberg war crimes prosecutor. He has spent his entire career working to create an effective legal response to the illegal use of armed force. He was one of the leading figures in the creation of the International Criminal Court in 1998, and continues to advocate for justice and accountability. Please join us for this special event.
