Hiring Practices of California Public Defender Offices

(Includes State and Federal Defender Offices)

INTRODUCTION

STAFFING CHANGES

Staffing changes may occur after the publication of this directory. To insure that you have current information, you should ***always*** verify the name of the hiring attorney and recruiting coordinator, the spelling of their names, and the address, before corresponding with these offices. Before interviewing you should verify the name of the Public Defender in the county, and research her/him and the office to which you are applying.

CALIFORNIA PUBLIC DEFENDER ASSOCIATION

An excellent tool for finding contact information on various public defender offices and their website links is the California Public Defender Association. Their website is <http://www.claraweb.us/> . For a directory of California public defender contacts, go to www.cpda.org/County/county.pdf and for the directory of California public defender websites, go to <http://www.cpda.org/publicarea/county/countypdwebsites.html>.

OTHER TYPES OF DEFENDER OFFICES

Visit <http://www.cpda.org/publicarea/county/county.html>, and you will find a list that also includes alternate defenders, conflict defenders, California Appellate Project offices and Indigent Criminal Defense Panel Administrators. These offices, not listed here for the most part, may also be a source of volunteer or paid positions.

ON-CAMPUS INTERVIEWING

Some counties conduct on-campus interviews at several law schools. Check with Career Services for more details.

Be aware that hiring practices can change at any time due to budget constraints.

Good luck!

ALAMEDA COUNTY

Brendon D. Woods
1401 Lakeside Drive, Suite 400
Oakland, CA 94612-4219
Ph: (510) 272-6600
Fax: (510) 272-6610

POST-BAR LEGAL ASSISTANT

Post-Bar Legal Assistants perform legal research and writing, conduct client intake interviews, litigate motions, conduct evidentiary hearings and assist attorneys in case preparation for trial or disposition. All legal assistants are compensated and must be certified under the Rules Governing the Practical Training of Law Students by the State Bar of California or admitted to the State Bar. Applications for post-bar legal assistants are accepted during On Campus Interviews and from July to December. All inquiries should be directed to: [Alameda County Public Defender Recruitment Officer](#): acpdrecruitment@acgov.org. Please include a cover letter, resume and writing sample.

ENTRY LEVEL ATTORNEY POSITIONS

Appointments to all vacant Associate Deputy Public Defender positions are made by the Public Defender from a civil service hiring list prepared after an examination coordinated by the Alameda County Personnel Department. The Personnel Department receives applications during an open period of 26 days. Applications for Associate Deputy Public Defender are generally accepted once a year, from mid-November to mid-December following the summer bar exam results.

[Complete job description](#)

[Notify me when the examination will occur](#)

All Associate Deputy Public Defenders initially work in a branch office where they are assigned cases of increasing difficulty. By the end of the third year most lawyers are assigned their first felony jury trial case load. After demonstrating proficiency in the trial of felony cases, Associate Deputy Public Defenders are promoted to the position of Deputy Public Defender. The Office provides ongoing in-house training for all attorneys; the Alameda County Public Defender is approved as a provider of Minimum Continuing Legal Education (MCLE) by the State Bar of California.

California Bar membership required. They do hire recent graduates. Apply through the county's Human Resources Services: <http://www.acgov.org/hrs/index.htm>. County application and civil service exam required. The examination for Associate Deputy Public Defender is generally conducted once a year, often in the period following the results of the summer Bar Examination.

SUMMER LAW CLERK POSITION POSITIONS

The Alameda County Public Defender's Office offers law students the opportunity to gain the traditional experience in research and writing, as well as practical "hands on" experience of assisting Public Defenders in court. In general, law clerks perform legal research and writing, conduct client intake interviews, litigate motions, conduct evidentiary hearings and assist attorneys in case preparation for trial or disposition. All law clerk work is done under the supervision of a senior Public Defender attorney. Law students who are exploring a career in criminal defense work will find their experiences with the Alameda County Public Defender an invaluable step in their career development.

All law students seeking a position must have completed courses in Criminal Procedure and Evidence and must be eligible for certification under the Rules Governing the Practical Training of Law Students by the State Bar of California. Applications are accepted continuously, however the bulk are received during On Campus Interviews in the fall. All inquiries should be directed to: [Alameda County Public Defender Recruitment Officer](mailto:acpdrecruitment@acgov.org): acpdrecruitment@acgov.org. Please include a cover letter, resume and writing sample.

GRADUATE LAW CLERK PROGRAM

The Department staff includes post-graduate law clerks who may be assigned to any of our three offices in Martinez and Richmond. Graduate law clerks assist attorneys with legal research and motion preparation, client interviews, assisting attorneys in trial, and other assorted tasks of value to the Department in fulfilling its mission to effectively represent our clients. If certified by the State Bar of California, graduate law clerks may be permitted to litigate motions in court under the supervision of the assigned attorney.

Graduate law clerks earn \$25.00 per hour. The positions are filled for one year terms that begin in mid to late August.

Students interested in a Graduate Law Clerk position should send a resume and cover letter to **Robin Lipetzky**, Public Defender, robin.lipetzky@pd.cccounty.us

The deadline for applications is the third Monday in October. Applicants who qualify for an interview will be contacted to schedule an interview in November. Hiring decisions are completed by January.

SUMMER LAW CLERK PROGRAM

Each summer the Department accepts approximately 20 volunteer and work-study law clerks who have completed either one or two years of law school. Students who attend a law school with which the Department has work study contracts may receive work study funding. Other students work as volunteers or receive grants from their law schools to work in our office.

Summer law clerks work with attorneys on their cases by researching and writing pretrial motions and performing a wide range of other research and case preparation duties. Interested students may be assigned to work closely with attorneys engaged in jury trials. Law students certified by the State Bar may have the opportunity to argue motions in court under the supervision of an attorney.

We strive to make the summer program as meaningful as possible for our summer clerks. In addition to providing diverse and challenging assignments, we encourage law clerks to accompany attorneys to the jail to visit clients, to view court proceedings, and to attend tours we organize of criminal justice facilities such as San Quentin State Prison and Contra Costa County's "Ranch" for juvenile offenders.

We accept applications for summer law clerk positions beginning in October and complete hiring in March. Send cover letter, resume and writing sample to **Jonathan Laba**, Deputy Public Defender, at jonathan.laba@pd.cccounty.us.

LAW STUDENT EXTERNSHIP PROGRAM

The Department maintains close working relationships with a number of Bay Area law schools which offer student externship programs for course credit. Our philosophy regarding our extern program mirrors our philosophy regarding our summer law clerk program: We work to make the experience as rich, diverse, and meaningful as possible. Externs have an opportunity to be exposed to, and participate in, the daily work of our staff attorneys, with responsibilities similar to those of our summer law clerks. We strive to serve as mentors and role models for students who may later enter the practice of criminal law or other careers related to social justice.

Students interested in an externship or a summer law clerk position should send a resume, cover letter and writing sample (if available) to **Jonathan Laba**, Deputy Public Defender, at jonathan.laba@pd.cccounty.us

ATTORNEY POSITIONS

Attorneys quickly gain a substantial amount of trial experience beginning with misdemeanor cases and progressing to felonies of increasing complexity. It is not unusual for experienced attorneys to have done over 40 felony jury trials. Many senior attorneys in the Department have tried in excess of 75 felony jury trials. Several attorneys have been lead counsel in capital cases. Some attorneys are State Bar Certified Criminal Law Specialists.

Attorneys discuss their cases with more experienced attorneys during staffing meetings and, when appropriate, have mentor attorneys. Newer attorneys quickly gain a substantial amount of trial experience at both the misdemeanor and felony level. Contra Costa County consistently ranks at the top of the state's counties in terms of the number of cases tried to a jury verdict. Attorneys interested in learning the skills of trial advocacy can become able trial lawyers in a relatively short period of time. New misdemeanor attorneys average 1-2 jury trials each month along with a substantial motion practice.

Representation of clients is vertical: attorneys in the office handle their own cases from the beginning to the end of representation. Our policy is to rotate attorneys among both office locations and geographical areas of the County so that experience can be gained practicing in all courts and in all our practice groups.

Attorneys are selected from a large pool of interested candidates. The Office of Public Defender recruits attorney candidates from diverse backgrounds with a record of high academic achievement from law schools nationwide. In addition to educational prerequisites, the most highly qualified candidates may have related job experience and other characteristics that will make them successful practitioners in the highly competitive criminal justice environment in Contra Costa County. Applicants undergo a screening, interview and testing process. Applications for temporary attorneys are accepted on a continuous basis by sending a resume and cover letter to **Robin Lipetzky**, Department Head at robin.lipetzky@pd.cccounty.us

LAW STUDENT PROGRAM

The process to become a clerk at the Ventura County Public Defender's Office is competitive. Clerks are selected based on their passion for public defense and demonstrated commitment to excellence. Applicants face a three-stage screening process. First, the applicant must submit a cover letter, resume, and writing sample to **Rod Kodman**, Chief Deputy Public Defender and clerkship supervisor. The cover letter should convey why the applicant wants to clerk for the Ventura County Public Defender's Office and why the office should select the applicant. If the applicant appears to be suited for the program, he or she will interview with Mr. Kodman in person. If the interview goes well, the applicant will return a third time to shadow an attorney mentor. After the shadow day, if the office determines the applicant is a good match for the program, the applicant will receive a clerkship offer. Clerkships are unpaid and carry no guarantee of future employment with the office.

Suggested Application Times:

Fall Post-Bar (for those taking a July bar exam) - September of the Preceding Year

Spring Post-Bar (for those taking a February bar exam) - May of the Preceding Year

Summer Clerkship for Rising Second and Third Year Law Students* - October of the Preceding Year

Fall Clerkship for Second or Third Year Law Students - May 1st of the Same Year

Spring Clerkship for Second or Third Year Law Students - October 1st of the Same Year

*Clerk will have completed one or two years of law school before beginning summer clerkship.

Clerks are encouraged to become “certified law clerks” pursuant to California Bar Association Rules Governing the Practical Training of Law Students, Rule 3.4 before the clerkship begins. Only certified clerks may appear on the record in case proceedings. The Ventura County Public Defender’s Office will assist qualified clerks to become certified.

Applicants seeking to clerk with the office for multiple sessions receive preference in the screening process. The clerkship program is designed to accept law clerks who will return for several sessions, including full-time summer sessions (40-hours per week minimum), part-time spring and/or fall sessions (two days per week minimum), and for some, a post-bar clerkship (40-hours per week minimum). As the clerk remains with the office, he or she receives increasing responsibility and emerges from the program prepared to hit the ground running in public defense.

Direct Applications to: **Rod Kodman**, Chief Deputy Public Defender at rod.kodman@ventura.org, (805) 654-3041.

ATTORNEY POSITIONS

Positions are advertised on the county’s Personnel website at <https://www.governmentjobs.com/careers/ventura> and advertised in the Daily Journal. Federal Defenders of San Diego is a private, non-profit organization based in San Diego with a branch office in El Centro, California, representing indigent persons accused of federal criminal offenses.

We are located in the Southern District of California. Our close proximity to the U.S.-Mexican border has a strong influence on our caseload. The majority of our clients are charged with drug and immigration related offenses. Our attorneys also have the opportunity to represent clients facing a wide variety of federal charges, including bank robbery, fraud, counterfeiting, pornography, assault and firearms offenses.

Our staff currently consists of over 60 attorneys and 70 support personnel, many of whom are bilingual and bicultural. We have an aggressive and distinguished appellate department. Our attorneys are assisted by highly trained and dedicated investigators and have the benefit of in-house interpreter and bond departments.

Members of the Federal Defenders team share a commitment to excellence and a passion for justice in representing indigent people accused of myriad federal criminal offenses. We combine hard work, constant training and intense dedication in the defense of each of our clients.

LAW STUDENT PROGRAM

Federal Defenders seeks to recruit law students who wish to work in an office dedicated to the zealous defense of the indigent accused. Interns will work with attorneys in preparation for trials, complete client visits, perform legal research, and go on investigations. Due to local court rules, law students are not permitted to represent individuals in court. Internships are unpaid and thus students are encouraged to seek alternate sources of funding.

Applicants to the program must be attending an accredited law school. All levels of law students are considered. The program seeks applicants with strong written and oral communication skills and a demonstrated interest to public interest law.

To apply, submit a cover letter, resume, unofficial transcript, and writing sample by email to the **Legal Intern Committee** at: internapp@fdsdi.com. Once the entire application packet is received and reviewed, you may be contacted to schedule an interview. Interviews are conducted over the phone or in person, depending on where you are located. Decisions are generally made shortly after the interview. Please note that the hiring process is extremely competitive, particularly for the summer session.

Additionally, trial attorneys from FSDSI attend several career fairs, diversity fairs, and other large recruitment events across major cities in the United States to recruit the best potential participants for our Legal Intern Program. If you are interested in an internship in the office, it is strongly encouraged that you make an effort to meet with FSDSI at one of the career fairs. They usually attend Northern California Public Interest/Public Sector Career Day at Hastings.

FSDSI is strongly committed to the principle of diversity and actively encourages applications from people of varied and diverse backgrounds. **DEADLINE:** Applications for the Legal Intern Program are accepted on a rolling-basis, however serious applicants are encouraged to submit their materials as early as possible.

POST GRADUATE LAW CLERKS

We hire attorneys directly out of law school (see “Attorney Position”). They are recruited during their 3L year and start with us in early October. Prior to bar passage, they serve as law clerks. However, we do not hire law clerks solely for the pre-bar passage time.

ATTORNEY POSITIONS

If you would like to submit your application to be considered when a vacancy does arise, please email a cover letter, resume, transcript, and writing sample to **Michele McKenzie** at Michele.McKenzie@fd.org.

The Office of the State Public Defender offers bright, energetic, and committed law students the opportunity to participate in a 10-week summer internship from June until August or during a semester of the academic year. The Office of the State Public Defender (OSPD) has an exclusive focus on death penalty cases, and represents more than 130 people on California's death row. OSPD litigates these cases both on appeal and habeas corpus. The work of the office is often at the cutting edge of criminal law. We have appeared in the California Supreme Court in over 250 cases and in the United States Supreme Court in a half dozen cases where certiorari review was granted. We have been responsible for major developments in the areas of capital litigation, due process, right to counsel, confessions, jury selection, search and seizure, sentencing and many other issues. The work of the Office of the State Public Defender is complex and challenging, and presents a unique personal and professional opportunity for those interested in criminal defense.

Summer interns assist with preparing appeals or habeas corpus petitions to the California Supreme Court. Responsibilities may include: legal and factual research on guilt/innocence, forensic, mental health, client social history and other issues; collecting or summarizing documents, investigation and field work (expenses paid); drafting memos and legal pleadings; preparing for hearings and other tasks. Students participate in team meetings. Summer students attend a week's worth of formal training at the beginning of the summer, in addition to informal training offered throughout the summer.

The internship is unpaid. Please include in the application a letter of interest, resume, and writing sample emailed to internprogram@ospd.ca.gov or mailed to:

Office of the State Public Defender
Intern Program
1111 Broadway, 10th Floor
Oakland, CA 94607

Two references must be provided upon request. Qualified applicants will be contacted for an interview. Call (510) 267-3300 with any questions. Interns during the academic year must make a minimum commitment of 16 hours per week.

ATTORNEY POSITIONS

Attorneys are hired under state civil service procedures. Legal Counsel positions are the entry-level position for attorneys admitted to the Bar. They have hired attorneys just out of law school. It does help your chances if you clerk there, but is no guarantee of a job. Deputy State Public Defenders are the associate attorney positions for attorneys with some experience in the practice of appellate or criminal law. Check the office website at <http://www.ospd.ca.gov/jobs/jobs.asp> for openings and exam information. A writing sample will be required prior to appointment.
