Hello!

There are 3 types of information we need to communicate with you about over the summer:

1. Deadlines, procedures, and CDO programs related to EIW/FIP, which include both private sector and PIPS employers. We will be using the official class email lists to convey this type of information. Because they are continually updated based on the latest information from Student Services and the Registrar, these official lists are the best means to insure no one who wants to participate in these programs – or who, at some point over the summer, may decide to participate – misses the opportunity to do so.

2. Announcements from Law Firms, for which we will be using a separate email list. If you are committed exclusively to PIPS opportunities and have no interest in such announcements, you can **opt off this separate list** by simply replying to this email.

3. Law Firm receptions, for which we’ve created an **Employer Events webpage** (password: *cdoa ccess*). You can click on an invitation to view event and RSVP information. Bookmark it and check back frequently for updates.

Warm Regards,
Liz
