Application for Admission to the Fall 2020 Environmental Law Writing Seminar

Thank you for applying! JD students should complete Part I of this application. LLM students should complete Part II. Applications should be submitted by e-mail to Bob Infelise (rinfelise@law.berkeley.edu).

Part I
Application for Admission for JD Students

Deadline: May 1, 2020

Students will be notified by May 8, 2020 whether they have been admitted to the course. You will be given the course control number at that time.

Please note that by submitting this application you are committing yourself to taking the course if your application is accepted. You will be given the list of topics in late July, and will be given the opportunity to express preferences at that time. You will be assigned a topic no later than August 10, and your first assignment will be due on August 17.

Please submit the following information on a separate document:

1. Your name and summer contact information.
2. Your expected date of graduation.
3. A brief explanation of why you wish to take the course (up to 250 words).
4. Prior environmental law courses taken (either at Berkeley Law or elsewhere).
5. Any involvement with *Ecology Law Quarterly*.

Part II
Application for Admission for LLM Students

Deadline: August 13, 2020

Students will be notified prior to August 17, 2019, whether they have been admitted to the course. LLM students will be able to drop the class after the first day of classes if necessary. However, given the limited slots we can offer to students in the course, you should only apply if you are seriously interested in the class and believe that dropping the course is unlikely.

Please submit the following information on a separate document:

1. Your name and contact information.
2. A brief explanation of your personal and professional experience with environmental issues and law, including relevant coursework (up to 250 words).
3. A brief explanation of why you wish to take the course (up to 250 words).
4. A brief explanation of your career goals after receiving your LLM degree (up to 250 words).
5. A list of up to three potential topics for the paper you would write for this course (up to 250 words total for all three topics). You may submit fewer than three topics, if you wish. You may choose a different topic depending on our discussion in class over the course of the semester.
