Dear 2Ls and 3Ls:

Registration is now open for the [Equal Justice Works Conference and Career Fair](#) on October 22-24!

The Equal Justice Works (EJW) Conference and Career Fair offers the opportunity to meet and/or interview with over 200 public interest employers from across the U.S. for 2L summer and post-grad positions. It is typically held in Washington, D.C., but will be virtual this year, making it much easier for Berkeley Law students to participate!

3Ls, this event is one of the primary vehicles for post-grad recruiting for many of the public interest employers who attend, especially those outside of California, and especially entry-level criminal trial practice jobs (prosecution and public defense). 2Ls, it's also a great way to learn

more about and apply to interview with lots of different organizations in one place.

More info from EJW is below.
