Dear 1Ls:

Following up on last week's email, we wanted to let you know that you can now schedule one-on-one counseling appointments with CDO Attorney-Counselors (for on or after 10/1).

Click [here](#) for instructions on how to schedule appointments in b-line.

There's *no* need to schedule an appointment during our first week of availability though we do recommend meeting with us at least once during the fall semester.

You should feel free to choose any of the Attorney-Counselors for your first career counseling session. All of the Attorney-Counselors are generalists, but we also have areas of specialization (for those of you have specific interests you are eager to explore). If you'd like to learn more about our backgrounds, you can review [our staff biographies](#).

Before your first appointment (if you have not already) - please be sure to watch our [1L Job Search Video](#) (or review the [transcript](#) and/or [slides](#)). We hope that it will help to make our first conversation even more productive!
