SUMMER 2021 JUDICIAL EXTERNSHIPS

Good morning 1Ls:

Interested in working for a judge your first summer?

If you are thinking about applying for 1L Summer Judicial Externships, please be sure to carefully review the updated version of

the CDO's [Judicial Externship Guide](#), and sign up for the [Summer Judicial Externship Opportunities listserv](#).

This Judicial Externship [Guide](#) contains the answers to the most frequently asked questions: What is a judicial externship? Which judges commonly hire Berkeley Law students? Are there any specialty court or diversity programs? How and when should I apply to judicial externships? This guide also includes information gathered from outreach to judges throughout California about their hiring practices.

Our Summer Judicial Externship Opportunities [listserv](#) will be the exclusive mechanism for sharing new externship opportunities as they are announced throughout this hiring cycle. Please click on "apply for membership" to receive these updates.

If after carefully reviewing the guide you have questions, please feel free to [schedule](#) a 30-minute appointment with any of the CDO Attorney-Counselors.
