During this unprecedented time, we recognize the challenges that virtual networking presents, particularly as you start to conduct research in advance of the Winter Interview Program (WIP) and seek out information about participating firms. This fall, the CDO has been working to identify ways to facilitate productive conversations between you and attorneys at these firms, while also being mindful of your time and the number of online events you are being asked to attend.

To that end, we will be bringing together law firms for a series of "**Meet the Employer**" networking events later this month. These events will give you the opportunity to meet with attorneys from WIP-participating firms and to ask questions relevant to your job search in a format that is as similar to in-person networking as possible under the circumstances.

These virtual networking events will be organized by office location and will be held on the following dates:

Friday, October 23, 9am-11am, PST: East Coast offices

Tuesday, October 27, 5pm-7pm, PST: Northern California offices

Thursday, October 29, 5pm-7pm, PST: Southern California offices

You will have the opportunity to sign up in advance for a 10 minute slot with a given firm/office, with up to 4 students permitted in each time slot. To make the most of your time, you should come prepared with questions about the firm, office, and/or practice areas you might be interested in. You will not be providing attorneys with any information or materials (resume, transcript, etc.) in advance, so use this opportunity to gather information that will help you make informed decisions going into WIP.

We will be sending instructions on how to sign-up for these events, as well as more information about event logistics, by Friday of this week. In the meantime, please mark your calendars--we hope to "see" you there!

Remember to regularly check our [Law Firm Announcements webpage](#) as well as our [diversity events/programs](#).
