Hello 1Ls!

For those of you who are interested in summer opportunities working in the legal departments of companies, please watch our [video on “The In-House Summer Experience”](#) (password: iXKR%\$*2). The video includes a summary of a survey of previous students who worked in-house as 1Ls. If you’re curious about the full results of the survey, they are attached to this email.

Also attached is a handout on in-house summer jobs. It includes a list of companies that have hired 1L summer interns in recent years as well as other job leads. The list is not exhaustive but is instead intended to serve as a starting point for your in-house job search.

The video, survey results and handout will all be available on the [Fall 2020 Resources page](#) as well under “Finding and Applying to Jobs” in the “For 1Ls” section of the [Career Resource Library](#).

Finally, a reminder to save the date for two upcoming 1L fairs in November. On Tuesday, November 17 from 6 pm - 8 pm, we'll be co-sponsoring a [1L Law Firm Diversity Program Fair](#) with the Womxn of Color Collective (WOCC). On Wednesday, November 18 from 12 pm - 3 pm, we'll be hosting a [PIPS \(Public Interest / Public Sector\) Internship & Career Fair](#). We'll be emailing you with information on how to sign up for these events in a few weeks.

As always, if you have any questions about your 1L job search, please feel free to make an appointment with an attorney counselor or see us during our drop-ins.

Best,
Valerie
