

Baker Botts

Baker Botts is a full-service, leading international law firm, recognized for our understanding of the industries we serve. With 180 years of experience and approximately 750 lawyers spread across 14 offices around the globe, we serve clients across numerous industries, including energy, technology, life sciences and other growing sectors. We seek hard-working, talented law students and attorneys from diverse backgrounds and with diverse experiences looking to thrive in a dynamic, global environment.

Practice Areas

- Antitrust and Competition
- Banking and Finance
- Corporate
- Enforcements & Investigations
- Environmental
- Financial Restructuring
- Intellectual Property
- Litigation
- Manufacturing
- Projects
- Real Estate
- Regulatory
- Tax

Professional Development

Each Baker Botts lawyer has access to in-house professional development and CLE opportunities to improve his or her substantive knowledge, practice skills, and understanding of client business needs. Cross-departmental in-house training programs focus on areas such as deposition and trial skills, transactional negotiating, contract drafting, accounting and financial statements, legal writing, and relevant legal issues. Lawyers also receive intensive training on high-level practice skills such as leadership, legal project management, communication skills, and business development.
