FISH.
FISH & RICHARDSON

fr.com/careers

Fish & Richardson, a premier global intellectual property law firm, is sought-after and trusted by the world's most innovative brands and influential technology leaders. Fish offers patent prosecution, counseling and litigation, and trademark and copyright prosecution, counseling and litigation. Our deep bench of attorneys with first-chair trial experience in every technology makes us the go-to firm for the most technically complex cases. We have an established reputation as a top-tier firm for patent portfolio planning, strategy and prosecution, as well as post-grant proceedings at the PTAB. Fish was established in 1878, and now has more than 400 attorneys and technology specialists in the U.S., Europe and China.

Career Growth. Our uniquely collaborative culture and commitment to teamwork ensures early client responsibility for Associates.

Training. Our IP-focused platform allows for specialized training that simulates real client work in an environment designed for learning.

Pro Bono Commitment. Fish attorneys donated over 19,000 pro bono hours in 2018.
