RE: *In the Matter of the Application of The Reporters Committee for Freedom of the Press*
Case No. 0:20-mc-00082-PJS-TNL

Dear Judge Schiltz,

I write to request an additional one-week extension for submitting the government's response to Petitioner's amended application. As a result of a drafting oversight that came to my attention last night, and for which I take full responsibility, the memorandum we had intended to file today requires more time to finalize. Both AUSA Tim Rank and I have been extremely busy with other matters since the previous extension was granted two weeks ago.

Counsel for the Reporters Committee indicated today they do not oppose this request, so long as their reply deadline is also extended by one week. Should the Court agree to this change, the government's response will be due next Friday, March 11, Petitioner's reply on Friday, March 25, and the April 19 hearing would presumably remain unchanged. Thank you for your consideration.

This letter is filed with permission from Karen Glover.

Respectfully submitted,

s/ David W. Fuller
