### 2021 LOYOLA PATENT LAW INTERVIEW PROGRAM

Loyola University Chicago School of Law is hosting the 2021 Patent Law Interview Program on **Thursday and Friday, July 22-23, 2021**. This nationwide interview program connects patent law employers with *rising 2L (current 1Ls) and 3L (current 2Ls)* students from around the country. *The 2021 Patent Law Interview Program will be a fully virtual job fair.*

***Due to the close proximity to the start of Early Interview Week (EIW) August 3-6, 2021 and significant overlap in employer participation between the two programs, we urge you to talk to a CDO counselor before registering for the Loyola Patent Program.***

Students with undergraduate or graduate degrees in engineering or a technical science are the best fit for this particular program. That being said, you do not need to be patent bar eligible to register, although the vast majority of employers participating in the program are seeking patent bar eligible students.

For more information on the program, please refer to the [LoyolaPatent Program website](#).

**Online student registration for this year's Patent Law Interview Program is now open and will close on Friday, March 19th.** Students can [register here](#).

At this stage of registration, you will only need to enter some basic information (you will upload your resume and bid on interviews later in the semester).

The registration fee is \$40 and will be reimbursed by the Career Development Office after the event. Once you have registered and paid the fee, hold on to your registration and receipt. After the program is completed, please send your registration confirmation and receipt of payment to the Career Development Office at [career@law.berkeley.edu](mailto:career@law.berkeley.edu) with the subject line "Seeking Reimbursement for 2021 Loyola Patent Law Interview Program Participation". Due to the UC Berkeley reimbursement policy, our office will not be able to reimburse the registration fee until after the program/event has been completed. **If you decide to participate in the program, the Loyola Patent Program staff will communicate with you directly via email to the address that you entered when registering for the program.**

Please direct any questions about the program to me, [Liz Granlund](#), Berkeley Law's Patent Law Interview Program Liaison.

Warm Regards,  
Liz
