Subject : ICE FOIA Request 2017-ICFO-43023
Date Sent : 8/23/2017 11:43:56 AM
Email Body : August 23, 2017 Caroline DeCell Knight First Amendment Institute 314 Low Library 535 West 116th Street New York, NY 10027 RE: ICE FOIA Case Number 2017-ICFO-43023 Dear Ms. DeCell: This acknowledges receipt of your Freedom of Information Act (FOIA) request to U.S. Immigration and Customs Enforcement (ICE), dated August 07, 2017, your request for a waiver of all assessable FOIA fees, and your request for expedited treatment. Your request was received in this office on August 07, 2017. Specifically, you requested 1. All directives, memoranda, guidance, emails, or other communications sent by the White House ³ to any federal agency since January 19, 2017, regarding consideration of individuals' speech, beliefs, or associations in connection with immigration determinations, including decisions to exclude ¹ or remove individuals from the United States (please see request for more details). Due to the increasing number of FOIA requests received by this office, we may encounter some delay in processing your request. Per Section 5.5(a) of the DHS FOIA regulations, 6 C.F.R. Part 5, ICE processes FOIA requests according to their order of receipt. Although ICE's goal is to respond within 20 business days of receipt of your request, the FOIA does permit a 10-day extension of this time period. As your request seeks numerous documents that will necessitate a thorough and wide-ranging search, ICE will invoke a 10-day extension for your request, as allowed by Title 5 U.S.C. § 552(a)(6)(B). If you care to narrow the scope of your request, please contact our office. We will make every effort to comply with your request in a timely manner. ICE evaluates fee waiver requests under the legal standard set forth above and the fee waiver policy guidance issued by the Department of Justice on April 2, 1987, as incorporated into the Department of Homeland Security's Freedom of Information Act regulations ^[1] . These regulations set forth six factors to examine in determining whether the applicable legal standard for fee waiver has been met. I have considered the following factors in my evaluation of your request for a fee waiver: (1) Whether the subject of the requested records concerns "the operations or activities of the government"; (2) Whether the disclosure is "likely to contribute" to an understanding of government operations or activities; (3) Whether disclosure of the requested information will contribute to the understanding of the public at large, as opposed to the individual understanding of the requestor or a narrow segment of interested persons; (4) Whether the contribution to public understanding of government operations or activities will be "significant"; (5) Whether the requestor has a commercial interest that would be furthered by the requested disclosure; and (6) Whether the magnitude of any identified commercial interest to the requestor is sufficiently large in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requestor. Upon review of your request and a careful consideration of the factors listed above, I have determined to

grant your request for a fee waiver. Your request for expedited treatment is hereby denied. Under the DHS FOIA regulations, expedited processing of a FOIA request is warranted if the request involves "circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual," 6 C.F.R. § 5.5(e)(1)(i), or "an urgency to inform the public about an actual or alleged federal government activity, if made by a person primarily engaged in disseminating information," 6 C.F.R. § 5.5(e)(1)(ii). Requesters seeking expedited processing must submit a statement explaining in detail the basis for the request, and that statement must be certified by the requester to be true and correct. 6 C.F.R. § 5.5(e)(3). Your request for expedited processing is denied because you do not qualify for either category under 6 C.F.R. § 5.5(e)(1). You have not established that lack of expedited treatment in this case will pose an imminent threat to the life or physical safety of an individual. While you may be primarily engaged in the dissemination of information, you have not detailed with specificity why you feel there is an urgency to inform the public about the information you have requested. Qualifying urgency would need to exceed the public's right to know about government activity generally. You also did not offer sufficient supporting evidence of public interest that is any greater than the public's general interest in the information you have requested. Your letter was conclusory in nature and did not present any facts to justify a grant of expedited processing under the applicable standards. If you are not satisfied with the response to this request, you have the right to appeal following the procedures outlined in the DHS regulations at 6 C.F.R. § 5.9. Should you wish to do so, you must send your appeal and a copy of this letter, within 90 days of the date of this letter, to: U.S. Immigration and Customs Enforcement Office of the Principal Legal Advisor U.S. Department of Homeland Security 500 12th Street, S.W., Mail Stop 5900 Washington, D.C. 20536-5900 Your envelope and letter should be marked "FOIA Appeal." Copies of the FOIA and DHS regulations are available at www.dhs.gov/foia. ICE has queried the appropriate program offices within ICE for responsive records. If any responsive records are located, they will be reviewed for determination of releasability. Please be assured that one of the processors in our office will respond to your request as expeditiously as possible. We appreciate your patience as we proceed with your request. Your request has been assigned reference number 2017-ICFO-43023. Please refer to this identifier in any future correspondence.
