Re: *Knight First Amendment Institute v. U.S. Dep't of Homeland Security et al.*,
No. 17 Civ. 7572 (ALC)

Dear Judge Carter:

I write respectfully on behalf of United States Immigration and Customs Enforcement ("ICE") in the above-referenced FOIA action to provide a status update regarding supplemental searches to be conducted by ICE, *see* Dkt. No. 183, and to respectfully request that the parties provide a joint status update to the Court by August 25, 2021. As the parties previously explained, *see, e.g.*, Dkt. No. 178, the parties have been working diligently to attempt to refine the supplemental searches in order to narrow the universe of potentially responsive documents. The parties agreed to a revised set of search strings, and since the parties' last update to the Court, ICE has conducted that search, and determined that the search returned approximately 3,000 documents (not pages) of potentially responsive documents. The parties are now conferring regarding a possible processing schedule. ICE respectfully requests that the parties provide a joint status update to the Court by August 25, 2021; plaintiff consents to that request.

I thank the Court for considering this matter.

Respectfully,

AUDREY STRAUSS
United States Attorney
