Location

Interviews will be held virtually through online video platform, Flo Recruit.

How to Register

Complete online registration via b-Line. Your username is your email address. If you have forgotten your password, click on the Forgot my Password tab. If you have never used the b-Line, click on the Register tab. Once you are logged in, click on the “Submit Schedule Request” quick link on the home page and complete the schedule request form for the appropriate session.

You will have the option to select between two different schedule types. Please see information on each type below:

1) The “on-campus interview” schedule type. If you select this option, you should be prepared to submit your video platform information as we get closer to the interview date. If you would like to conduct a virtual on-campus interview schedule, but do not have access to a video platform that will be conducive to a full schedule of interviews, please contact egranlund@law.berkeley.edu to make alternative arrangements.

2) The “resume collect” schedule type. The school would still manage the application process for employers, but employers would work directly with selected candidates to determine when and how interviews would take place.

Ground Rules for Participating

By registering to participate, employers agree to the following:

No Requesting of Transcripts Prior to Interviews

Transcripts will not be made available prior to the interview, nor do we permit employers to request that students provide them in advance. However, students will
be instructed to bring transcripts, a writing sample and a list of references to the interview. You may require students to provide a cover letter in addition to their resumes in advance.
