AT BERKELEY LAW, WE ADMIT PEOPLE, NOT NUMBERS.
A FEW THINGS THAT SET BERKELEY LAW APART:

- You don’t need to wait until your second year to make a difference. Our 40 Student Initiated Legal Projects let you dig into legal work in your first year—from the Tenants’ Rights Workshop, to Homelessness Service Project, to the Clean Energy Leaders in Law. You can also join 12 of our 13 journals during your first year, or try out for one of our competitive advocacy teams.

- We were among the very first law schools to recognize the need for a First Generation Professionals student organization. This group offers community, alumni mentorship, social events, and support from faculty who are first-gen themselves.

- Our judicial clerkship program delivers dramatic results. Nearly 20% of the Class of 2020 obtained current or future term clerkships, most of them coveted positions with federal judges. Specialized advising, a stellar reputation, and a vast network of contacts and resources help our students achieve their clerkship goals.

- We believe that law school is tough, but it doesn’t have to be brutal. Our non-traditional grading system means students are focused on doing their best work, not doing better than their classmates. And there is nothing brutal about weather that hovers between 50 and 75 degrees almost year round.

EXPERIENCE

We offer a wide range of pragmatic courses explicitly designed to introduce you to the theory and practice of professional lawyering. Our programs offer you the opportunity to roll up your sleeves, work with clients, and put legal theory into human practice.
CLINICAL PROGRAMS
We currently have 14 live-client clinics and a variety of practicums in areas such as veterans law, intellectual property, and domestic violence. Designed to provide hands-on experience and first-rate legal services, our clinical and practicum programs are directed by faculty members who are highly regarded experts in their fields.

You’ll learn the foundational law by participating in a companion seminar, and receive intensive one-on-one supervision throughout.

DEATH PENALTY CLINIC offers students a rich opportunity for meaningful training; seeks justice for individuals facing the death penalty by providing them with high-quality representation; and exposes problems endemic to the administration of capital punishment.

ENVIRONMENTAL LAW CLINIC bolsters our environmental law program by providing live-client experience to students in litigation, administrative agency practice, legislation, and policy analysis.

NEW BUSINESS COMMUNITY LAW CLINIC connects students with business start-ups and low-income entrepreneurs who cannot afford legal consultation, offering students the chance to develop skills in transactional law.

INTERNATIONAL HUMAN RIGHTS LAW CLINIC designs and implements creative solutions to advance the global struggle to protect human rights. Students work on individual cases and broad issues in California and globally.

POLICY ADVOCACY CLINIC uses teams of law and public policy students who pursue non-litigation strategies to address systemic racial, economic, and social injustice.

SAMUELSON LAW, TECHNOLOGY & PUBLIC POLICY CLINIC gives students an opportunity to tackle the complexities of technology-related law. The clinic’s mission is to support the public interest in technology law and policy and to teach students through work with real clients.

PRO BONO PROGRAM

Some schools have a pro bono requirement. Berkeley Law has a pro bono culture. Case in point: our 40 Student-Initiated Legal Services Projects that let you gain client experience beginning as early as your first semester.

These projects are initiated and led by students who have identified a legal need, secured supervising attorneys, and enlisted classmates to help meet that need in an underserved community. The projects address issues such as human trafficking, reproductive justice, housing and employment law, refugee assistance and other immigration issues, and criminal justice.

Want to pursue pro bono work outside of the Bay Area? Try BLAST! Our Berkeley Law Alternative Service Trips allow students to spend their Spring Break serving clients in different regions of the country. Past trips include, Atlanta, Central Valley, Hawaii, Kentucky, Mississippi, South Texas, and Tijuana. It provides recipients with full tuition and fees for three years. Deadline to apply is December 15, and you must have taken the LSAT by November 2021. Additional essay and interview required.

Center Scholars will receive at least $10,000 per year in gift aid, be recognized as Center Scholars, and will be provided faculty and alumni mentorship, support, and programming. There is no separate application for the Center Scholars programs; recipients are selected based on their original application for admission.

RESOURCES SUPPORTING PUBLIC INTEREST CAREERS

LOAN REPAYMENT ASSISTANCE PROGRAM (LRAP)

provides eligible graduates working in public interest careers with assistance repaying their loans. LRAP is integrated with the federal Public Service Loan Forgiveness program (PSLF) and Income-Driven Repayment. Through LRAP, public interest graduates earning less than $80,000 per year could have no out-of-pocket loan payments, and after 10 years, can apply to have their remaining loan balance fully forgiven through PSLF.

SUMMER FELLOWSHIPS

UC President’s Public Service Summer Fellowships provide a stipend in the amount of $5,000 to $6,000 to all JD students who are employed in a qualifying position during the summer after their first or second year. Students must complete 25 hours of pro bono work to be eligible to apply.

POST-GRADUATE PUBLIC INTEREST FELLOWSHIPS

Bridge Fellowship Program provides short-term financial support while the graduate is searching for permanent public interest positions after taking the bar exam. Public Interest Fellowship (PIF) Program PIF participants work in an apprentice role for a full year, during which they are committed to staying in their placement.

APPLYING

THE JURIS DOCTOR (J.D.) PROGRAM

FIRST-YEAR APPLICANTS
The application for each fall term is available online via the LSAC website (www.lsac.org) from September 1 – February 15. As we employ a rolling review process, you are strongly encouraged to submit a completed application as early as possible, so long as it represents you accurately and fully.

BINDING EARLY DECISION PROGRAM (BED)
If you have determined that Berkeley Law is your first choice law school, you may apply through the binding early decision program. A different application timeline and deadline apply for those applying to our BED program, and a signed BED Agreement acknowledging all terms and conditions is required with your application for admission. An interview may also be required. If you are admitted, you must enroll at Berkeley Law the following fall. No deposit will be required, but you must withdraw all other law school applications and may not initiate any new applications. There is no application fee to apply to BED. If you are not admitted through BED, your application will be rolled over into Regular Decision. All BED applicants will receive a decision in early December, and if admitted, are automatically awarded $75,000 in gift aid (distributed as $25,000 per year for three years).

TRANSFER STUDENTS
Transfer students come from law schools across the country and make a substantial and welcome contribution to the Berkeley Law community. Applicants are considered for the fall term only.

VISITING STUDENTS
The law school admits a few visiting students who study here for a year but receive their law degrees from their schools of origin. Visiting students admission is available to approximately five students who have completed two years of high-quality work at another law school and have demonstrated a compelling need to spend their third year at Berkeley Law.

CONCURRENT DEGREES/COMBINED DEGREES

An applicant interested in earning concurrent degrees must gain separate admission to Berkeley Law (using the J.D. application) and the other participating Berkeley school or department. The latter is accomplished by filing a separate application with the Berkeley Graduate Division.

EXAMPLES: J.D./M.P.P. AT GOLDMAN, J.D./M.B.A. AT HAAS

An applicant interested in earning combined degrees must gain separate admission to Berkeley Law and the other participating school.

EXAMPLE: J.D./M.P.P. AT HARVARD KENNEDY SCHOOL

JURISPRUDENCE AND SOCIAL POLICY PROGRAM

Although it is a part of the law school’s academic program, the Jurisprudence and Social Policy (JSP) Program is a separate graduate program with its own admission criteria and procedures. Admissions information is available online.

“ We look to admit the kind of people you’ll want to spend the next three years around – engaged, driven, curious, and collegial.

We want students who are diverse in every way and who bring their passions – for justice, for social change, for the law – into the classrooms.”

ERWIN CHEMERINSKY, DEAN & JESSE H. CHOPER DISTINGUISHED PROFESSOR OF LAW
