

Fall 2021 Group Take-Home Exam Schedule (Optional)

Take-home exams may be completed anywhere you have internet access. For those of you in the area during the exam period, we are reserving several classrooms throughout the exam period for students who wish to quietly take exams of the same length together.

The start times for exams of various lengths are indicated on the schedule below. **You must arrive no later than 5 minutes prior to the designated starttime and be prepared to start your exam at that time so as not to disturb others.** Students who arrive late will not be allowed to enter the room. These will be un-proctored, but a staff member will be at the door to discourage others from entering the room while exams are taking place. You will of course be free to leave and return to the room as needed (e.g., to use the restroom, take breaks, get a snack, etc.).
