Dear Students,

Are you interested in learning more about a career as a government lawyer? Read on!

The CDO is hosting a virtual networking event for students with attorneys working in all levels of government on Wednesday, March 2, 2022, from 4:30pm - 6:00pm PST. The event will be on the Flo Recruit platform.

This annual program is designed to highlight careers in government and will allow you to learn more about different opportunities working for the government. You will also have a chance to meet a group of skilled attorneys and improve your networking skills. We have invited attorneys from a variety of practice areas, government agencies, and geographic locations.

*The event is a career-fair style virtual networking event in which students can freely enter and leave employer “rooms.”*
Note: Due to the nature of this event, which allows students to enter and leave rooms, you can join for however long you are available.

Please Register on Flo Recruit here.

You will receive an email from “berkeley@floevents.email” as soon as you register. **Hang onto that registration email, as it contains the link you need to login on March 2nd!**

Further information will be sent from CDO as the event nears, but if you have any questions at this time, please contact CDO attorney-counselor Sara Malan at smalan@law.berkeley.edu.
