Your registration will be considered complete when you have submitted your registration(s) via b-Line, and completed the follow up Qualtrics survey. The deadline to register, which includes both the b-Line schedule request and Qualtrics survey, is Monday, April 25, 2022. On b-Line you will be required to complete feedback forms for the previous EIW and summer associate program before being permitted to submit your schedule request through b-Line.

How to complete the b-Line registration portion:

1) Login to b-Line, your username is your email address, or the email address of the account holder. If you have forgotten your password, click on the “Forgot my Password” link. If you have never used the b-Line, click on the “Register” link.

2) Click on the “OCI” link in the sidebar

3) Then click on the “Submit Schedule Request” link.

4) Make sure the “2022 EIW” is selected in the session drop-down menu if you are planning to conduct interviews through our program. If you are interested in a resume collect schedule, make sure to select the “2022 EIW Resume Collect” session in the drop-down menu if you are interested in the resume collect program.

5) Complete the schedule request form for EACH VIDEO ROOM you intend to have during EIW. Make sure to include the correct office locations you are interviewing for in each registration. If you have questions about this, please feel free to email Liz Granlund.
