**2022 LOYOLA PATENT LAW INTERVIEW PROGRAM**

As a reminder, the Loyola University Chicago School of Law is hosting the 2021 Patent Law Interview Program on **Thursday and Friday, July 21-22, 2021**. The 2022 Patent Law Interview Program will have **In-person interviews** on **Thursday and Friday, July 21-22**, at the Embassy Suites Chicago – Downtown/Lakefront, and **virtual interviews** will now take place on **Monday, July 25**.

**Due to the close proximity to the start of Early Interview Week (EIW) August 2-5, 2022 and significant overlap in employer participation between the two programs, we urge you to talk to a CDO counselor before registering for the Loyola Patent Program.**

Students with undergraduate or graduate degrees in engineering or a technical science are the best fit for this particular program. That being said, you do not need to be patent bar eligible to register, although the vast majority of employers participating in the program are seeking patent bar eligible students.

For more information on the program, please refer to the [LoyolaPatent Program website](#).

**The deadline to register for this year’s Patent Law Interview Program has been extended**
to Monday, March 28th, 2022 at 11:59 pm. Students can register here.

At this stage of registration, you will only need to enter some basic information (you will upload your resume and bid on interviews later in the semester).

The registration fee is $40 and will be reimbursed by the Career Development Office after the event. Once you have registered and paid the fee, hold on to your registration and receipt. After the program is completed, please send your registration confirmation and receipt of payment to the Career Development Office at career@law.berkeley.edu with the subject line "Seeking Reimbursement for 2022 Loyola Patent Law Interview Program Participation". Due to the UC Berkeley reimbursement policy, our office will not be able to reimbursed the registration fee until after the program/event has been completed. If you decide to participate in the program, the Loyola Patent Program staff will communicate with you directly via email to the address that you entered when registering for the program.

*Should Loyola or the City of Chicago change its COVID guidelines to require a remote program, we will notify you of any changes. The program will follow the safety protocols required by Loyola University Chicago for off-campus events: Loyola Health and Safety Information.

Please direct any questions about the program to me, Liz Granlund, Berkeley Law's Patent Law Interview Program Liaison.

Warm Regards,

Liz
