After discussing this further with the COR, I provided him with a link to BI's Smartlink Privacy Policy, which is available on our web site. If needed, this policy can be found at: <https://bi.com/bi-smartlink-privacy/>. This should hopefully address what is needed to respond to this FOIA request. However, if additional information is needed, please let us know.

Thanks,

(b)(6);

Good Morning,

We are in receipt of the FOIA request that was forwarded to our attention earlier this morning. To ensure that everyone is on the same page, could you please clarify exactly what you are asking BI to provide to ICE as it pertains to this request? Since this FOIA request is quite broad, it would be helpful to understand what parts ICE is planning to respond to and what assistance is being sought from BI.

Thanks,
