<sup>1</sup> AB 540 status is available to some nonresidents who attended high school/community college in California; see <https://registrar.berkeley.edu/tuition-fees-residency/residency-tuition-purposes/exceptions> for details.

<sup>2</sup> Deferred Action for Childhood Arrivals provides a work permit for certain undocumented young people; see <https://undocu.berkeley.edu/legal-support-overview/what-is-daca/> for information.

<sup>3</sup> AB 540-eligible students should not seek classification as state residents, as such classification will jeopardize their eligibility for university fellowships. See <http://ucop.edu/general-counsel/files/ed-affairs/uc-residence-policy.pdf>.
