

2023 USLAW NETWORK LAW SCHOOL DIVERSITY SCHOLARSHIP PROGRAM

Costs associated with law school may derail accomplished and highly motivated students from applying to law school or completing their Juris Doctor, or may deter them from attending the highest ranked schools because of higher tuition. Recent studies show that one out of ten law students from underrepresented groups have had to abandon a lifetime dream of becoming a lawyer, which means the legal field lost 10% of its potential diverse talent pool. The USLAW NETWORK Law School Diversity Scholarship Program was created as part of the organization's commitment to helping eligible, diverse law students who are in need of financial assistance to achieve their academic and professional dreams.

The 2023 USLAW NETWORK Law School Diversity Scholarship Program will award \$5,000 for up to 10 students selected by our scholarship selection committee. Applications may be submitted starting December 5, 2022, with a deadline for applications by February 15, 2023.
