ACCT NUMBER: 

Repayment Schedule Change

The schedule to repay one or more of your loan(s) has changed. Please review the enclosed Repayment Schedule which includes your minimum Monthly Payment Amount, Total Number of Payments to be made, and your Due Date.

Changes such as interest rate, balance, payment amount, number of allowable months to repay, due date, repayment plan, and/or status (e.g., deferment/forbearance) may result in future Repayment Schedule changes.

Important Information About Your Repayment Schedule

- Do you have multiple loans? If so, you may receive separate Repayment Schedules.
- If you have a past and/or a current amount due under your prior Repayment Schedule, those payments remain due unless they have been paid or deferred.
- Are you signed up for Auto Pay? If not, consider signing up! You'll never forget a payment, and you could receive a 0.25% interest rate reduction. To enroll, log in to your account at mohela.studentaid.gov and select Payments & Billing. If you are already enrolled in Auto Pay, payment currently due under the prior Repayment Schedule is expected to be withdrawn via Auto Pay, including any additional amount you have requested.
- Have you requested an additional amount to be withdrawn via Auto Pay? If so, any additional amount you requested to be withdrawn will continue to be withdrawn, in addition to the new payment amount for the due date listed on this Repayment Schedule.
- Want to pay your loan off faster? You have the option to make more frequent or additional payments at any time.
- This is an estimate of repayment and may be recalculated in the future to pay off within the number of months allowed for your loan program.
