FJC IP seminar

Bridget Amoako

Bridget Amoako is an associate in the San Francisco office of Gibson, Dunn & Crutcher LLP. She currently practices in the firm's Litigation Department. Her practice focuses on AI product counseling and regulatory compliance, intellectual property, and antitrust. She received her J.D. from Stanford Law School in 2023. While in law school, Bridget served as a student attorney in the Juelsgaard Intellectual Property and Innovation Clinic and as a Member Editor for the Stanford Journal of Civil Rights and Civil Liberties.

David R. Singer

Studios, networks, and tech companies rely on David Singer, Co-Chair of the firm's Content, Media, and Entertainment Practice, to handle their most high-profile disputes. Blockbuster movies and hit TV shows are valuable intellectual property, and David works collaboratively with clients to overcome the high-stakes legal challenges these assets often face. Singer also has more than a decade of experience litigating antitrust cases and is Co-Chair of the firm's Antitrust and Competition Law Practice.

Frances Waldmann

Frances Waldmann is a partner in Gibson Dunn's Los Angeles Office and a member of the firm's Artificial Intelligence, Privacy, Cybersecurity and Data Innovation, and Antitrust practice groups. Frances advises companies on a wide range of complex matters related to AI and other emerging technologies, including global policy, product and regulatory compliance counseling, regulatory enforcement, litigation, and transactional representations.
